Our law firm is located up in the prestigious quarters half-way up the hills surrounding Stuttgart and is within the immediate vicinity of the Villa Reitzenstein, office of the prime minister of Baden-Württemberg.

Plenty of parking spaces are available for visitors.

You can also reach our office by public transport using tram line 15 (in German: "Straßenbahn-Linie 15") and getting off at "Bubenbad". From here, it is just a five-minute walk.
